category *Best of the Best - Health & Nutrition*

Deepest admiration to Bernd Ackermann, Gordan Angerhoefer, and Ramon Cadusch for *Make Food Soft*, the groundbreaking contribution that redefined the boundaries of medical nutrition. Through your interdisciplinary expertise and profound empathy, *Make Food Soft* transforms soft food from a necessity into a joy, from a challenge into a celebration. This is a reference achievement in therapeutic gastronomy, an essential resource for caregivers, healthcare professionals, and families alike.
